

Please Remember these Ministries

AWARE

Works to prevent violence and support people who have experienced domestic and sexual violence.

AWARE is in need of travel size shampoo and conditioner, travel size or full size body wash, women's only deodorant, full size bath towels, any brand liquid only laundry soap and 13 gallon white trash bags.

BARTLETT HOUSE

Bartlett Regional Hospital serves patients from all parts of Southeast Alaska. Some patients and their families have to travel considerable distances for treatment. It's a convenient, low-cost lodging alternative for families of out-of-town patients. Bartlett House is situated on the Bartlett Regional Hospital campus, mere steps away from the emergency department and cafeteria.

Bartlett House can use individual packages of snacks, cup of soup, nuts or trail mix, single serve cheese and crackers, 2 pack cookies, snack pudding, and oatmeal packets.

Also, Remember that items for the Southeast Alaska Food Bank can be brought with you on Sundays. Look for the "FOOD BANK" basket at the back of the church.
